SITE ENGINEERING SERVICES

PROJECT DESCRIPTION:

Lyall's Drafting & Design Ltd was retained by Vale Inco NL to provide Site Engineering Services for it's Voisey's Bay Mine Site in Labrador.

Vale Inco NL is responsible for the Voisey's Bay development which involves the construction and operation of a mine & concentrator in Voisey's Bay, Labrador, and processing facilities in Long Harbour, Newfoundland.

Site Engineering Services for the mine/mill and associated infrastructure for the Voisey's Bay Mine Project. We are responsible for onsite and off-site engineering design, drafting, and project management activities in support of capital works projects for the mine/mill operation at Voisey's Bay, Labrador.
